Tell us about you as a musician?			
What kind of music do you play?			
What kind of space do you need?			

To enjoy music in our coffee shop is a treat! So thank you for your interest. With being a smaller coffee shop we only can provide a space, NO EQIPMENT. If you are scheduled to perform and cannot follow through, we expect notice 24 hours prior to show time. Having a set time to play is key for the coffee shop in order to maintain business. We do encourage you to interact with customers, and allow you to have a tip jar if you so choose. Thank you for choosing Goldy's corner to play your music.
